

SHEDS

## HANDI-SAVER™ SHED

### COMPACT AND VERSATILE STORAGE SOLUTION

The versatile Handi-Saver shed is a strong and secure outdoor storage solution that is designed to incorporate neatly under eaves and into most spaces where secure storage is required. Handi-Saver is clad with the strong and attractive Smartspan® high tensile steel sheeting, designed to withstand the rigours of everyday use.

The Handi-Saver is perfect for adding extra storage space for courtyard homes and on apartment balconies, or as a secure storage option for underground and apartment car parks.
